

Kids of the Kingdom Preschool Mission Statement

Kids of the Kingdom Preschool
in partnership with
Lord of Life Lutheran Church
will serve the families of KOK in the
same manner Christ has
loved and served all people.
“Train up a child in the way he
should go, and when he is old,
he will not depart from it.”
Proverbs 22:6

OUR PHILOSOPHY

Believing that the first five years of a child's life are crucial to his/her development, we realize that a positive preschool sets the tone for years to come. We will provide a wholesome, nurturing environment that will meet the needs of each child's spiritual, social, emotional, cognitive and physical growth. Our Christian ministry will plant the gospel in the hearts and minds of the children at KOK, so that they might know the love God has for them in Christ Jesus. To accomplish this goal we have weekly chapel times with the Pastors, Christian Ed Director or Director of Children's Ministries of Lord of Life, as well as Bible lessons and daily prayers. We are dedicated to promoting the development of the whole child, as we encourage positive self-esteem and individuality, while fostering respect for others and the world around us.

OUR PROGRAM

Kids of the Kingdom Preschool will provide opportunities for your child to explore, wonder, question, create and play while engaging in age appropriate learning activities.

Kids of the Kingdom utilizes a theme/literature based curriculum that is reinforced in various learning centers. These centers include art, blocks, manipulatives, housekeeping, reading, writing and science.

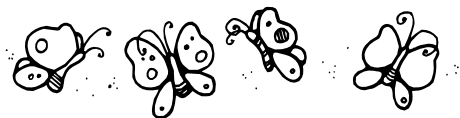

Children at Kids of the Kingdom are placed into classes based on their age as of September 1st.

Kids of the Kingdom Preschool admits students of any race, color, and national origin.

OUR ENRICHMENT

Kids of the Kingdom offers a weekly chapel time, and a motor movement program twice a month, along with special celebrations throughout the year.

Our three's and four's will also experience weekly science and Spanish classes.

OUR CLASSES

TODDLER'S & TWO'S:

We provide comforting and safe routines, small class sizes and loving teachers in an effort to help these little ones adjust to being part of a group, gain independence and learn new skills. Developmentally appropriate activities provide opportunities for active exploration through play.

Class Ratio:

Toddlers: 4-6 children to 1-2 teachers

Twos: 10 children to 2 teachers

THREE'S & FOURS:

Our enriching classrooms are full of activities designed to meet our goals of providing a stimulating environment for these active learners. We encourage development in all of the important areas through a variety of hands on learning experiences. We emphasize cooperative play and working together. We integrate language, pre-reading, and writing skills through literature. We provide many opportunities to incorporate pre-math skills into their daily routines through hands-on situations that are both meaningful and fun.

Class Ratio:

Threes: 12 children to 2 teachers

Fours: 14-15 children to 2 teachers

OUR STAFF

Our teachers are hired for their love of children as well as their experience and training in early childhood education. All of our staff keep up to date on current ideas and teaching techniques by attending at **least** 18 hours of training sessions each year. Every staff member is certified in CPR and First Aid Training.

PARENT INVOLVEMENT

Kids of the Kingdom Preschool has an open door policy and encourages parents to become actively involved in their child's preschool experience. Through this involvement we will work together to encourage the educational and social development of your preschooler.

We invite and welcome our parents to participate in the many opportunities we have available for them, including social get-togethers, informational meetings and volunteer activities.
